

August 2021

Dear Percy Priest Families,

Welcome to the 2021-2022 school year! At Percy Priest we are always focused on providing a safe and nurturing educational environment that will supply all students with the foundation they need to fulfill their highest academic potential and become lifelong learners. We want our graduates to be well-rounded, compassionate, critical thinkers and active members of the local and global communities in which they live.

The teachers and staff are excited and looking forward to partnering with our families for a great year of learning, growth, and community building. Our partnership with our families in the educational experience of students is critical to our success so please know that you can reach out at any time with questions or if you are in need of support.

We welcome your participation and support this year and solicit your involvement in the Percy Priest Elementary Parent Teacher Organization (PTO). Working together, we will be able to reach our goals and celebrate the achievements of our students.

We hope to see you on Friday, August 6th for our new families orientation and school-wide classroom sneak-a-peek, as well as later this month on Thursday, August 19th at our Open House.

Your partners in education,
Dr. Russell Young, Principal
Brooke Temple, Assistant Principal
