January 9, 2023

Katie Agnew opened the meeting at 5:06pm.

Review December meeting minutes.

Carlin Graham: Motion to approve

Libba Alden: Second

All in favor; none opposed.

President's Report, Katie Agnew:

- Two updates:
 - Parent parties: One couple per grade to host a party in their homes. Months of Jan-Feb. Hosts provide snacks. People who attend bring their own drinks. Purpose is to build community in low-key way.
 - Building update: No update in terms of funding. Mayor has not put out capital spending plan. Remaining optimistic. We are requesting some changes—namely that the gym be a full size to allow for all-school assemblies and to appropriately accommodate the larger enrollment numbers we will have (50% larger than current).
 - Called attention to upcoming dates.

Principal's Report, Dr. Russell Young

- Review Parent Involvement Policy. All present parents positively reviewed policy. No recommended changes or updates.
- Upcoming: Black History Month, Read-A-Thon and a Math-A-Thon.
- Brooke Temple will be back as Assistant Principal next Tuesday. Showered gratitude on Jill Hasselbring for being our interim Assistant Principal. Jill will return to her role as a part time technology teacher.
