

Dear Percy Priest Families,

Welcome to the 2023-2024 academic year at Percy Priest Elementary! We look forward to another fantastic year of supporting our school and building community among our families. Our school is a special place and we hope you will all jump in to experience its warmth, good cheer, and all that it has to offer.

The volunteer efforts of our parents and caregivers are vital to our school, providing support both in terms of time and dollars, which enable us to supplement tools and resources (additional staff, software, and supplies among other things) and provide community-building fun like the Fall Picnic, GrandFriends Day, and Read-a-Thon, just to name a few. Your work as a volunteer directly supports the work of our teachers and the education of our children, all while allowing you to get to know other Percy Priest families. Please read more below about how to jump in at Percy Priest Elementary!

I look forward to working alongside you this year as we support our wonderful school. Please feel welcome to contact me with any questions or feedback.

With gratitude,
Libba Alden
PTO President, 2023-2024
