Essential Question: How do cultural beliefs and values guide people?

Focusing Question: What important beliefs and values guide Chief Joseph and his daughter, Sound of Running Feet?

Standards: Interpret quotes, Character/setting/problem analysis, informational writing (hook, topic sentences, text evidence, elaboration, transition sentences).

This week in ELA students will continue to read *Rolling Thunder in the Mountains*. We will continue to juxtapose our characters, Chief Joseph and Sound of Running feet. A lot of these lessons this week have students reading and discussing the text for a deeper understanding. We will finish reading our novel this week.

Students will have a New Read assessment on Thursday (Wednesday is a busy day). This will ask students to:

- summarize pages 47-49 (somebody, wanted, but, so, then, handout 19A)
- what phrases mean (handout 15A)
- differences between the main characters (handout 18B)
- Paraphrasing a quote (handout 18B)

Most of this assessment is multiple choice so I won't upload that portion, but part two will be in the Schoology assessment folder. Students can review handouts, but these won't be the quotes they will use on the assessment.

Please make sure your child has their book in class everyday.
