

5th Grade Week At A Glance

Week of Nov. 6th - Nov. 10th

Percy Priest Events and Happenings

Please be sure to read Dr. Young's email and listen to his weekly callout for more information about events and important dates at Percy Priest.

Date:	Monday 11/6	Tuesday 11/7	Wednesday 11/8	Thursday 11/9	Friday 11/10
	Book Fair JTM Open House @6pm	Book Fair	Book Fair	Book Fair Grand Friends Day	Veterans Day

Don't forget to return field trip permission slips and be sure to pay online.

Math

Amy.Thomas@mnps.org

*Please check agendas nightly.

** Check Schoology weekly.

Student Expectation

Understand the place value system.

5.NBT.A.3 Read and write decimals to thousandths using standard form, word form, and expanded notation (e.g., the expanded notation of 347.392 is written as $(3 \times 100) + (4 \times 10) + (7 \times 1) + (3 \times (1/10)) + (9 \times (1/100)) + (2 \times (1/1000))$). Compare two decimals to thousandths based on meanings of the digits in each place and use the symbols $>$, $=$, and $<$ to show the relationship.

Key Concepts

I can use concrete models and number lines to reason about the place value of decimals to the thousandths.

I can read, write, and compare decimals using base-10 numerals.

I can read, write, and compare decimals using number names.

I can read, write, and compare decimals using expanded form.

I can represent decimals using the fractional form and expanded notation.

Fundamental Questions

How can I reason about the place value of decimals to the thousandths?

How can I accurately read, write, and compare decimals?

How can I use the fractional form and expanded notation to represent decimals?

This week in math...

Science/Social Studies

Danielle.Wojciechowski@mnps.org

*Please check agendas nightly.

**Check Schoology weekly.

10/30 - 11/3 is a Science week.

Due to having 2 Social Studies weeks in a row, we are going to have 2 science weeks in a row. Test on Gravity will be during the second week.

Standards:

5.PS2.3: Use evidence to support that the gravitational force exerted by Earth on objects is directed toward the Earth's center.

5.PS2.4: Explain the cause-and-effect relationship between two factors (mass and distance) that affect gravity.

5.PS2.5: Explain how forces can create patterns within a system (moving in one direction, shifting back and forth, or moving in cycles) and describe conditions that affect how fast or slowly these patterns move.

This week in Science...

Date:	Monday 11/6	Tuesday 11/7	Wednesday 11/8	Thursday 11/9	Friday 11/10
Weekly Outlook:	Gravity Notes	Gravity Notes	Gravity Notes/Video	Gravity Activity	No School
Homework:		Gravity Homework Assigned		Gravity Homework Due	
Quiz/Test:					
Study/ Review:		Review Notes	Review Notes	Review Notes	

English Language Arts

Jeffery.Bray@mnps.org

*Please check agendas nightly.

**Check Schoology weekly.

Essential Question: How and why do writers play with words?

Focusing Question: How can wordplay create confusion and humor?

Standards: Quote accurately from a text when explaining what the text states explicitly and when drawing inferences, analyzing paintings, identifying homophones and homographs

This week in ELA we will continue our study of wordplay. Lessons 1-6 have students build critical background knowledge of wordplay through riddles, idioms, and puns. We will also continue to analyze Abbott and Costello's "Who's on First." Just like last week, we will continue to use this clip to better understand wordplay. This was a fun clip to watch with each class. So many left trying to do the bit.

We will begin reading the book, *The Phantom Tollbooth*. As we read, we will be mapping out the story. We will be looking at snapshots of text as we read. A snapshot is when we zoom in on characters, setting, or events that happen in a chapter. This is our way of analyzing our novel. This is important because their end of module task will be to "explode" a snapshot from the book.

Date:	Monday 11/6	Tuesday 11/7	Wednesday 11/8	Thursday 11/9	Friday 11/10
Weekly Outlook:	Lesson 4	Lesson 5	Lesson 6	Lesson 7	Veterans Day
Homework:	See Email	See Email	See Email	See Email

Harvest Party Pictures

Thank you, parents!
We had so much fun at our Harvest
Party.
