

Tote Bag Monogramming

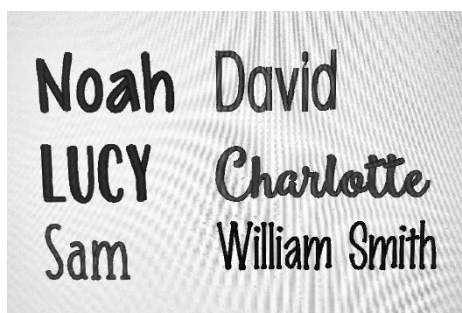

Do you want your name on your PPE tote?

Please text or email Jennifer Perry with the following information by August 1st so that your bag will be available for pickup at the popsicle party on August 10th.

Child's Grade Level (Kindergarten or PreK)

Child's name

Font style

Example: I'm ordering a bag for Cameron Talbert for Kindergarten. I want it to say Cameron in the "David" font.

It is very important that you indicate your child's grade level as the bags are different colors for PreK and Kindergarten.

Thread color will be black for orange bags and white for black bags unless your child has another preference. Hot pink, royal blue, purple all show up nicely on the bag.

Cost \$20
